2. Description of Services

Wellsite Direct, LLC connects oilfield Suppliers with a network of Independent Sales Agents for the purpose of product and service solicitation on behalf of the Supplier for a commission. We make various services available on this Site including, but not limited to, providing access to an on-demand sales force of experienced oil and gas consultants that market and sell products and services. It is up to each Independent Sales Agent to provide such service. We will not assess the suitability, legality or ability of any Independent Sales Agent.

The use of this Site does not entitle you to engage in communication or direct activities with Independent Sales Agents in a manner that represents an Employer/Employee relationship. You understand that Independent Sales Agents are independent contractors of Wellsite Direct, LLC and may not assume or create obligations on Wellsite Direct's behalf or take action that creates the appearance of such authority. It is the responsibility of the Supplier user to address and adhere to compliance standards surrounding the nature of their relationship with any Independent Sales Agents. The Supplier shall seek advice and guidance on their own accord to ensure compliance with Federal statutes and regulations.

We reserve the sole right to either modify or discontinue the Site, including any features therein, at any time with or without notice to you. We shall not be liable to you or any third party should we exercise such right. Modifications may include, but are not limited to, changes in the pricing structure or the addition of fee-based services. Any new features that augment or enhance the then-current services on this Site shall also be subject to these Terms of Use.

You are solely responsible for providing, at your own expense, all equipment necessary to use the services, including a computer and modem; and your own Internet access (including payment of telephone service fees associated with such access).

You understand and agree that temporary interruptions of the services available through this Site may occur as normal events. You further understand and agree that we have no control over third party networks you may access in the course of the use of this Site, and therefore, delays, and disruption of other network transmissions are completely beyond our control.

You understand and agree that the services available on this Site are provided "AS IS" and that we assume no responsibility for the timeliness, deletion, mis-delivery, or failure to store any user communications or personalization settings.

You understand and agree that we have no control over the quality, safety, or legal aspects of the oilfield operations and transactions that take place as a result of interactions through our website, including, but not limited to, the ability of users to transport or ship materials or the ability of users

to complete or fulfill any transactions entered into by way of our platform. We generally do not pre-qualify or verify users with respect to licensure, insurance, certification or other quality requirements that may be involved in a user's business. You are responsible for investigating the background of any user you transact with through our Site.

You may not list any product on our Site that violates any applicable law, rule, statute, ordinance, regulation or prohibited items. It is users' responsibility to ensure compliance with any and all local, state and federal requirements involved in selling, shipping, buying and transporting materials, equipment or products.

By listing on our Site, you acknowledge and agree that the product listed is in your possession or subject to your control and that you have the full right to transfer title and interest to the property. You agree to remove the listing once the item has been sold. We reserve the right, in our sole discretion, to remove any listing, without notice and without liability that does not meet the requirements of these Terms of Use.

Wellsite Direct, LLC does not provide any transportation or shipment services for any materials, equipment or products listed through our Site by other users. The delivery of any materials, equipment or products is the responsibility of the Supplier user unless otherwise agreed upon with another user. You are responsible for any agreement you enter into with any user on this Site and agree that our providing of this platform and facilitating connections between users in no way makes Wellsite Direct, LLC a party to the contractual agreement between you and another user. All communication related to the delivery of any materials, equipment or products is done between Supplier and Customer outside of our platform. Supplier is responsible for updating the status of the order so that the Independent Sales Agent is notified.

3. User Designations

Wellsite Direct, LLC provides platforms for several types of users of the Site that shall be broken down in this section. If you have any questions regarding any of these designations, please contact us at info@wellsitedirect.com.

- **Supplier Users**
 - Our Suppliers consist of Suppliers of oil and gas materials, equipment or products that use our Site as a platform to connect with Independent Sales Agents who can be contracted to find potential Buyers.
- **Independent Sales Agent Users**
 - Our sales agents are independent contractors working with Wellsite Direct, LLC to make available their resume and credentials through our Site. Independent Sales Agents may be contracted by oilfield Suppliers in order to find potential Buyers and sell the materials, equipment or products of Suppliers.
- **Customer or Buyer**
 - This Site may refer to "Customers" or "Buyers" from time to time in order to reference oil companies which are in the market for certain materials, equipment or products which a Supplier user may offer for sale.
 - These users do not have access to our services and may not create an account on

our Site.

Users may cancel their account by sending an e-mail to support@wellsitedirect.com. There may be a delay of up to three (3) days from the time we receive a cancellation request until the request is processed. If you cancel your subscription, you will be charged for that month's full billing cycle and your subscription will be cancelled thereafter. Your access to our Site and your account will remain open until the end of the billing cycle.

4. Registration Data and Privacy

In order to access some of the services on this Site, you will require a separate account and password that can be obtained by completing our online registration form, which requests certain information and data ("Registration Data") and maintaining and updating your Registration Data as required. You understand that Suppliers cannot create Independent Sales Agent accounts, and Independent Sales Agents cannot create Supplier accounts. By registering, you agree that all information provided in the Registration Data is true and accurate and that you will maintain and update this information as required in order to keep it current, complete and accurate.

You also grant us the right to disclose to third parties certain Registration Data about you. The information we obtain through your use of this Site, including your Registration Data, is subject to our Privacy Policy, which is specifically incorporated by reference into these Terms of Use.

The Supplier user must have the authority to register an account on behalf of the Supplier company.

5. Payment Terms

If you subscribe to a service on this Site that requires payment of a fee, you agree to pay all fees associated with such service. As the Supplier you are responsible for setting the rate of commission along with the payment terms for your products or services. The commission rate you set will equal the fee you pay to Wellsite Direct, LLC based on the net invoice amount of each successful sale. A successful sale shall occur when a Customer accepts a sales proposal that was presented by an Independent Sales Agent. You understand you have full control over the commission rate and payment terms you set on your company profile through WellsiteDirect.com. Any materials, equipment or products that are listed and sold by the Supplier will result in an invoice to the Supplier company.

In addition, you agree to pay a monthly fee for use of services. For all charges for subscription services on this Site, we will bill your credit card. Recurring charges are billed in advance of service. You agree to provide us with accurate and complete billing information, including valid credit card information, your name, address and telephone number, and to provide us with any changes in such information within thirty (30) days of the change.

If, for any reason, your credit card company refuses to pay the amount billed for the service, you agree that we may, at our option, suspend or terminate your subscription to the service and require you to pay the overdue amount by other means acceptable to us. We may charge a fee for reinstatement of suspended or terminated accounts.

You agree that until your subscription to the service is terminated, you will continue to accrue charges for which you remain responsible, even if you do not use the service.

In the event legal action is necessary to collect on balances due, you agree to reimburse us for all expenses incurred to recover sums due, including attorney fees and other legal expenses.

You understand that our platform only facilitates transactions between Supplier, Independent Sales Agent, and Customer and we do not get involved in the actual delivery of any materials, equipment or products being sold or the invoice between Supplier and Customer. However, we do have to track the status of the job and associated debits and credits, as it affects the net invoice amounts and the fee Supplier pays Wellsite Direct and the commission Wellsite Direct pays to the Independent Sales Agent that sold the job. For this reason, you understand and agree to the following procedures:

- Requests for credits (price concession) made by Customer and received by the Independent Sales Agent or Supplier shall be entered into the platform by the receiving party within 24 hours of being notified. Our platform will notify the other party that a request has been entered.
- Supplier shall contact Independent Sales Agent by telephone no later than 48 hours after the request was entered (even if the e-mail notification fails) to discuss the details of the job and possible resolution.
- Negotiation shall be handled through direct communication between the Independent Sales Agent and the Supplier. The Independent Sales Agent shall represent both parties in order to resolve any possible credit delays and minimize the potential for prolonging the process.
- Supplier is responsible for entering the final credit into the system within 48 hours of resolution. If Supplier fails to enter the credit into the system within 20 days, Supplier agrees to pay commission on the full net invoice amount.
- If a Customer cancels an order, the Independent Sales Agents and Supplier are responsible for updating the status of the order so that the other party is notified.
- If the Supplier fails to perform (operationally), a credit may be requested and negotiated. This could result in a reduction of the Independent Sales Agent's commission payment due to a price concession given by Supplier. All disputes and requests of credits for services contracted for or materials, equipment or products purchased from users on our Site will be handled according to the terms of your agreement with said user.
- Subscription fees paid by Supplier for use of WellsiteDirect.com are due immediately upon registration of product line(s) and service(s).
- Supplier agrees not to alter the commission rate during the course of a sale and agrees only to modify the commission rate when there are no current sales in process.

- Supplier agrees to pay commission fee to Wellsite Direct, LLC based on the payment terms Supplier established upon product/service registration.
- Supplier understands that payment to Independent Sales Agents is made directly by Wellsite Direct, LLC from the commission fee paid by Supplier and failure to remit payment of commission within Supplier established net terms will result in a delay of payment to Independent Sales Agents for which we may assess late penalties and interest to Supplier.
- You are liable for all transaction taxes on the services provided under this Agreement (other than taxes based on Wellsite Direct, LLC's income).
- Wellsite Direct, LLC, at its sole discretion, may make promotional offers with different features and different rates to any of our Users. These promotional offers, unless made to you, shall have no bearing whatsoever on your current agreement or terms with us.

Wellsite Direct, LLC does not set pricing directly or collaborate with any user to set pricing for any materials, equipment or products offered on our Site by another user.

6. Verification Program

We may offer Supplier users the opportunity to undergo a background check through our Site. This service is not required and we will only provide this to Supplier users who consent to a background check during the registration process. If the Supplier user passes the background check, a verified badge will be added to the Supplier user's profile.

We use a third party provider to complete the background check. For details on what the background check will cover, please see their terms of use. Any questions on information provided as a result of the background check should be submitted directly to the third party provider.

You understand and agree that your carrier's normal rates and fees, such as text messaging and data charges, will still apply, regardless of whether or not we charge a fee for our services. Not all Mobile Services may work with all carriers or devices.

We may employ automated monitoring devices or techniques to protect our users from mass unsolicited mailings (also known as "spam") and/or other types of electronic communications that we deem inconsistent with our business purposes. However, such devices or techniques are not perfect and we will not be responsible for any legitimate communication that is blocked or for any unsolicited communication that is not blocked.

Mailboxes may have a limited storage capacity. If you exceed the maximum permitted storage space, we may employ automated devices that delete or block e-mail messages that exceed the limit. We will not be responsible for such deleted or blocked messages.

You understand and agree that you shall not use our e-mail services for any other purpose besides interacting with us, Independent Sales Agents, and/or Customers.

20. Use of Site and Storage of Material

You acknowledge that we may establish general practices and limits concerning use of the services available on our Site, including without limitation the maximum number of days that uploaded content will be retained on the Site, the maximum disk space that will be allotted or our servers on your behalf, and the maximum number of times (and the maximum duration for which) you may

access the services in a given period of time. You agree that we have no responsibility or liability for the deletion or failure to store any content maintained or transmitted on or through this Site.

We provide storage space and access for material through our Site. For purposes of these Terms of Use, "material" refers to all forms of communication that we may allow, including narrative descriptions, graphics (including photographs, illustrations, images, drawings, logos), executable programs, video recordings, and audio recordings. You may not use this Site to publish material that we determine, at our sole discretion, to be unlawful, indecent, or objectionable, or which violates the restrictions described in "Conduct on Site" above. We will not routinely monitor the contents of your online portfolio. You are solely responsible for any information contained in your online portfolios. However, if complaints are received regarding language, content, or graphics contained in your online portfolio, we may, at our sole discretion, remove the images hosted on our servers and terminate your Web hosting service. We may also suspend the account, restrict access to it, or remove content from it if necessary or appropriate.

The accounts of our users operate on shared resources. Excessive use or abuse of these shared network resources by one user may have a negative impact on all other users. Misuse of network resources in a manner that impairs network performance, including excessive consumption of CPU time, memory, disk space, and session time, is prohibited and may result in termination of your account or limitation of your activities.

This Site is not designed or intended to be used as a disaster recovery facility or as an emergency data storage facility. Although we take reasonable precautions to preserve and protect the material you upload to the Site, you should not rely on the Site as your only storage facility. You should preserve backup copies of any digital data, information, or other materials that you have uploaded. You agree not to hold us for any damage to, any deletion of, or any failure to store your files, data, or Registration Data.
